➤ **PROJECTS:**

•**Tweety**

Very simple blog and have a part of **Social Media** you can add, edit, delete, like , dislike and see your friends share what just in our simple blog

•**Target**

concerns jobs you can add, edit, search, filter, apply, send and receive message from each other

•**Tourism for you**

website of tourism company that offers for domestic, foreign, religious, medical, and one-day tourism

•**Souq Egypt**

simply an Ecommerce. You can offer to buy an agreement to receive discounts. Add to your shopping cart, and finally you can follow up on everything new in the online store, Ecommerce.

•**Dr-Medicine**

A part of The medical community, where you can consult a doctor online if he is outside your country, or book an appointment with him if he is also near you. Doctors and other doctors, such as nurses and patients, can add each other to better communicate on their own blog in the same website (and I'm still working here yet)

➤ **Personal skills:**
